

H PE ROCKS

Imagine Change...

EMPOWERING PEOPLE TO LIVE A LIFE INSPIRED.

Hope Rocks offers professional development training, presentations, and youth workshops that inspire a shift in perceptions, attitudes and energy, inciting positive change and motivating all people to live a life inspired.

Participant benefits:

- Challenge paradigms
- Invite open-mindedness
- Improve communication skills
- Adopt a creative lens for viewing the world
- Harness the collective wisdom of the group
- Adopt a vision for your personal or professional life
- Experience effective collaboration
- Develop empathy & understanding
- Restore creativity & curiosity
- Enjoy an infusion of energy at work, school, or play

VISION: Hope Rocks is dedicated to empowering people to live extraordinary lives. Learning to live life, not by default but by design, young people and adults bring depth and meaning to the places they work, learn and live - driven by passion, purpose and commitment. Redefining our definition of success to include philanthropy, ordinary people become extraordinary stewards for social change.

Kim Holl

Facilitator & Social Artist

As a storyteller, social entrepreneur and compassionate communicator, Kim has devoted much of her life to transformational education and adventure learning. She has presented at conferences and facilitated innovative workshops and speaking circles throughout the Pacific Northwest that focus on youth advocacy, community engagement & wellness, peace building, restorative practices, and using philanthropy to inspire social change. In 2010, Kim presented at the World Conference on Restorative Practices in England.

Each time I encounter Kim, whether as a presenter to my staff or a collaborator on a project, I am stuck by her ability to be a positive force for change. No matter what her method, no matter how big the project, maintaining the dignity of each person is her passion.
